

Kids' Reserve Governance Committee

Kids' Reserve is a not-for-profit, community-led early childhood education centre. It is set up as an incorporated society and when you enrol at the Centre, you become a member of that society. The day-to-day operations of the Centre are looked after by our Management Team. The team manage the Kaiako (teachers), waiting list, implement the Centre's budget, and ensure high quality care and education at Kids' Reserve.

The Centre is governed by the Governance Committee, which is made up of a group of volunteer parents. We meet monthly to oversee the future direction of the Centre and its financial management, make decisions regarding Centre policies and procedures, and help to ensure the Centre is set up for ongoing success. We always welcome new committee members, as parents come and go as their children leave the Centre. We are keen to have parents from across the different rooms, and with a range of skills and backgrounds.

Getting involved in running Kids' Reserve is a great opportunity to ensure that your child gets the best possible learning environment, and a way of giving back to our valued Kaiako. You will learn new skills, learn about the early childhood sector, and play a part in making sure that our Centre runs smoothly and efficiently.

Co-Chair - **Hannah McGee, Roxan Barker**; Co-Treasurer - **Andrew Armour, Vaughan Stewart**; Co-Secretary - **Erana Paki-Snowden, Lawry Perrott**
